2017 JUNIOR SHOW ENTRY CERTIFICATION RULES

By signing the entry form:

The undersigned Exhibitor and his/her Parent or Legal Guardian, County Extension Agent ("CEA") or Agricultural Science Teacher ("AST") hereby certify that each has read, understands and agrees to be bound by all of the provisions of the 2017 San Antonio Stock Show & Rodeo Livestock Premium List and all rules and regulations of the San Antonio Livestock Exposition, Inc. ("S.A.L.E."). We further certify that we have not administered and, to the best of our knowledge, any entry from this exhibitor has not been unethically fitted and has not received any substance not approved by the FDA and/or USDA. In instances where an animal has been administered a drug that is FDA-approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal. Adequate time must have passed so that an exhibitor's animal does not test positive for drugs upon arrival. Once the animals arrive on the S.A.L.E. grounds, they must remain free and clear of all residues of medications, drugs, chemicals, and other substances.

Veterinarians / Medication: Those animals that have consumed or been given, even under the care of a licensed veterinarian, any type of performance enhancing medication, drug, chemical, or substance, including but not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers, **are ineligible for competition.** All drugs and medication administered during the livestock show must be administered by the Official S.A.L.E. Veterinarian and a written medication record must be filed. Animals receiving performance enhancing drugs (e.g., steroids, diuretics, anti-inflammatories, tranquilizers and painkillers, etc.) in this manner are ineligible for competition. As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply; however, breeding animals will be closely screened for any performance enhancing compounds. This includes, but is not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and painkillers.

Exhibitor and his or her parents agree that any animal entered by him or her may be subjected to inspection, examination, or testing by any veterinarian appointed by S.A.L.E. and that S.A.L.E. may conduct or take any tests, examinations, samples, and inspections that S.A.L.E. deems necessary or appropriate, including but not limited to tests for drugs or other substances, at any time. S.A.L.E. shall have the right to conduct or have conducted for it all tests, inspections, or analyses it deems appropriate or necessary, including but not limited to ultrasound, D.N.A., blood, tissue, and urine laboratory analysis, on any animal entered in or exhibited at the San Antonio Stock Show & Rodeo. The exhibitor (and, for Junior exhibitors, the exhibitor's parent, legal guardian, or AST or CEA) must be present during the collection of an initial urine sample for testing and must witness, seal and sign the sample, thereby establishing that the sample was properly collected and prepared for analysis. Subsequent samples of any sort may be taken by or for S.A.L.E. without the presence of the exhibitor or his or her parent, legal guardian, or AST or CEA. All decisions based on any test, inspection, analysis, or examination conducted by or for S.A.L.E. shall be final and conclusive and no exhibitor shall have any recourse against S.A.L.E. or any of its officers, directors, volunteers, or employees, or any veterinarian appointed by S.A.L.E., for any such decision.

Exhibitor and his or her parents agree that each of them waives and releases S.A.L.E. and each of its agents, employees, volunteers, members, veterinarians, and contractors from any and all claims, causes of action, liabilities, and demands of every sort based on, arising out of, or relating to the inspection or testing of any such animal and any ruling, decision, or action taken as a result of or in reliance on the results of any test or inspection, whether or not such testing or inspection was conducted in compliance with these rules. The foregoing waiver and release applies to any causes of action, claims, and demands based on the actual or alleged negligence or gross negligence of S.A.L.E. or any of its veterinarians, employees, and volunteers. Exhibitor and his or her parents also agree to indemnify and hold S.A.L.E. harmless from and against all claims, suits, causes of action, liabilities, damages, demands, costs, expenses (including attorneys' fees), and other losses (together, "Claims") asserted against or incurred by S.A.L.E. based on, arising from, or in any way relating to any act or omission by S.A.L.E. or the use or condition of any real or personal property at or in connection with the San Antonio Stock Show & Rodeo, including, without limitation, all Claims based on, arising out of, or relating to any negligent act or omission of or by S.A.L.E.

In the event any animal is determined to be unethically fitted, Exhibitor will forfeit all titles, awards, prizes, auction proceeds, premiums, scholarships and market/floor money. Further, the Executive Director & CEO is authorized to permanently bar the Exhibitor and his/her family from any further participation in any S.A.L.E. events. Reinstatement of anyone barred may be made only by the Executive Director & CEO.

All claims or disputes between Exhibitor (and his/her parent or guardian, CEA, and AST) and S.A.L.E. (including each of its agents, employees, volunteers, members, veterinarians, and contractors) in any way arising out of or related to Exhibitor's entry and participation in the San Antonio Stock Show & Rodeo that are not subject to final resolution by S.A.L.E. pursuant to its rules and this entry form shall be decided by binding arbitration administered by the American Arbitration Association ("AAA") and in accordance with the Commercial Arbitration Rules of the AAA that are in effect at the time the demand for arbitration is filed, unless the parties mutually agree otherwise in writing. The decision of the arbitrator(s) shall be final, conclusive and binding on the parties and judgment may be entered thereon by a court of competent jurisdiction to enforce the decision. Jurisdiction and venue for any dispute regarding this Agreement shall lie solely and exclusively in Bexar County, Texas.

The Exhibitor and his/her Parent or Legal Guardian, CEA or AST understand and agree to the Civil Authority Evacuation Statement as well as the Liability and Release and Indemnity Rules (pages 22-23, Sections 6a & 6b) as stated in the General Rules of the Livestock Premium List.

Market Animal Eligibility: To meet Country of Origin labeling requirements, all animals entered or exhibited in a Junior Market Division must be bred, born and raised in the United States.
