Enrollment procedures and payment method options vary in each county, so check with your local county office for more information.

About 4HOnline!

- 4HOnline is the official registration system for adult and youth members directly involved with 4-H.
- 4HOnline is a partnership between the 4-H family and the local county office. (counties.agrilife.org)
- 4HOnline is a secured system that is in compliance with the PCI Security Standards Council. Texas 4-H nor 4HOnline shares or sells any personal information to third party vendors without your knowledge or permission.
- 4HOnline is based on "zero-based enrollment." Each year at the start of the enrollment cycle all 4-H membership in Texas goes to zero and everyone must re-enroll. This process is based on federal accounting policies.

Did You Know?

- Most questions can be answered by calling the local county office. (counties.agrilife.org)
- An approved youth or adult member record means a person is officially enrolled with Texas 4-H.
- An approved youth or adult member record means a person can register for state or district level events.
- Adult volunteers are required to be screened through the Texas A&M Agrilife Extension Volunteer Standards every three years. The screening process can take up to two weeks.
- A youth that is 8 years old and going into the 3rd grade must wait until September 1st to enroll for proper fees to be accessed. The Texas 4-H year officially starts September 1.
