2023 4-H DAY At the Capitol

TEXAS A&M
AGRI LIFE
EXTENSION

Event Details:

Thursday, March 29, 2023 - Texas Capitol - Austin, TX

Estimated Start Time: 8:30am - Estimated End Time: 4:00pm

Event limited to first 250 youth/50 adults
(registration is non-refundable)

Registration Information:

4Honline Registration will open on at 12:00pm (noon) on February 1, 2023 and will close on February 8, 2023 (or until registration is full)

Cost per participant: \$40.00 (includes lunch and a t-shirt)

The Texas 4-H Youth Development Program will once again host 4-H Day at the Capitol on Wednesday, March 29, 2023. This event is designed as a citizenship experience for 4-H members of all ages to learn more about the state legislative process, as well as meet their state representative and senator through an office visit.

Since this event is held during the legislative session and other organizations/groups are at the Capitol on the same day, the number of participants (youth and adults) must be limited.

Other facts about the day that you should consider before registering:

- This event does occur during the legislative session, therefore, the event schedule may change from what is published and even distributed the day of the event. Changes to the overall schedule as well as House and Senate member visits will be occurring throughout the day and the 4-H Program will do our best to maintain the most up-to-date schedule changes through email and text messaging.
- We request patience of all our 4-H members, parents, and County Extension Agents during the event due to the fast pace of the event. This includes not just schedule changes, but cancellation of office visits or locations of visits.
- For those parents who do not get registered for the event, but their 4-H member did, they are welcome to attend and join in on the gallery and office visits, but due to space, the welcome assembly in the auditorium and the lunch will be limited to only registered individuals. The Capitol does have a cafeteria located close to the room where the event lunch will be served.
- 4-H members attending the event maybe separated from their parents for periods of time when they are in the welcoming assembly or on office visits, please be assured it is the priority of the 4-H Program that each youth member is safe and comfortable in their participation of the event at all times.
- Each registered participant will receive a t-shirt, therefore the dress is casual-nice (blue jeans or khaki pants/skirt, casual closed toed shoes). The t-shirt will be distributed at check-in and youth will have time to change prior to the event starting.
- A detailed information packet will be sent to each registered participant approximately a week before the event with an updated schedule, parking information and other logistical information.

The Texas A&M AgriLife Extension Service provides equal access in its programs, activities, education and employment, without regard to race, color, sex, religion, national origin, disability, age, genetic information, veteran status, sexual orientation or gender identity.
