## Horse Validation Information – Instructions for Families

- ALL horses must be validated/re-validated each year.
- Horse validation is completed for EACH HORSE and will cover all 4-H youth members in that family profile. When validating your horse(s) in 4H Online, you will select ONLY ONE APPROVED 4-H youth member to conduct the validation under. Once the horse is validated, validation has been paid, and you begin registering for the District Horse Show, the validated horse(s) can be selected by any 4-H member in that family account who will be exhibiting the horse in the show.
- Registration papers for registered horses MUST be uploaded.
- In order to be eligible for breed specific awards, correct registration papers for that breed must be uploaded. If the horse is registered with more than one association, then multiple sets of registration papers can be uploaded.
- If registration papers are in the process of being transferred, select/list PENDING in the Registration # box. The transfer process MUST be completed and submitted to the District and State Offices BEFORE May 1st, or the horse will be ineligible to compete at the District and State 4-H Horse Shows.
- The correct owner MUST be listed on the registration papers.
- Owners MUST be the youth, parent (biological or stepparent), brother, sister, grandparent, or legal guardian.
- Horses owned in partnership or jointly with any other person not listed above do NOT meet ownership requirements.
- **\*NEW IN 2023\*** - Lease horses are now eligible to be validated and shown at District and State 4-H Horse Shows. An official Texas 4-H Horse Lease Agreement must be signed by the exhibitor, horse owner, and the supervising County Extension Agent. The lease period must include, at minimum, May 1<sup>st</sup> to August 31<sup>st</sup> of the current 4-H year. The lease form must be uploaded to 4H Online at the time of validation.
- Youth showing futurity horses MUST be 12 years old or older and in at least the 6th grade, as of September 1 of the current 4-H year.
- There is no limit to the number of horses that can be validated. You are encouraged to validate all horses that may possibly be shown at district and/or state shows. Only state validated horses can be substituted in the event that a validated horse becomes unusable due to lameness, sickness, etc.
- More information on Texas 4-H Horse Validation can be found on page 7 of the 2023 Texas 4-H Horse Show Rules and Regulations document at <https://texasyouthlivestock.com/horse-validation/> or at <https://texas4-h.tamu.edu/events/horse/>.

**\*NEW IN 2023\*** - All classes at the State 4-H Horse Show are open to eligible 4-H youth. Participation at the District 4-H Horse Show is not required but is encouraged; with the exception that a futurity project horse must be shown at the district horse show, district educational clinic, or other equivalent event where the project horse is present, in order to qualify for a futurity class at the state show. Participation must be verified by the County Extension Agent on the State 4-H Horse Show entry form.

## 2023 Texas 4-H Horse Validation – Guidelines for Families

### PAYMENT AND STATUS

#### ANIMAL VALIDATION CAN ONLY BE PAID FOR WITH A CREDIT CARD.

- The family can submit payment of \$10.00 per horse (\$20.00 after April 15th, or \$250 from May 1<sup>st</sup> to May 5<sup>th</sup>), in the form of a **credit card ONLY**.
  - From March 1 – April 15, the validation cost for each horse is \$10.00. The \$10.00 cost is only guaranteed if the animal validation is approved by the county office by the April 15th deadline and the payment is processed.
  - From April 16 – May 1, the validation cost for each horse is \$20.00. The \$20.00 cost is only guaranteed if the animal validation is approved by the county office by the May 1st deadline and the payment is processed.
- Any validation that has a status of incomplete, resubmit, pending or payment due is not guaranteed the amount charged when it was created and is not yet considered validated.
- Validation will close on May 5<sup>th</sup>, and validations will not be accepted after that date. No exceptions will be made.
- You will get an automated email notice from 4H Online when your County Extension Agent has approved your horse. This approval does NOT guarantee eligibility. After it is approved at the county level, your validation will then be reviewed at the state level. You will be notified by June 1<sup>st</sup> if there are any issues with your validation at the state level.

If you have questions about Texas 4-H Horse Validation, please contact your County Extension Agent.

**COUNTY OFFICES WILL NOT BE ABLE TO MAKE PAYMENT ON THE LAST SCREEN. THE CREDIT CARD AREA WILL ONLY SHOW UP IF LOGGED IN USING A FAMILY EMAIL AND FAMILY PASSWORD.**
